

*List do stowarzyszenia sinologów ukraińskich Українська асоціація китаєзнавців*

Dear Friends,

we write to you on behalf of Polish sinologists. We are shocked and outraged by Russia's brutal aggression against Ukraine. We are aware of the enormous difficulties you are experiencing. Please let us know how we can help you. We are not a large community, but we will try to do whatever we can. We look forward to your reply and our thoughts are with you
